Mine are missing too. Comment score hasn't changed though. Isn't 29 days ago about when they tweet showed up calling everyone to D.C? Maybe this is just a quick and dirty attempt to cleanup all instigator posts about starting war and bringing weapons etc.

Generally, offending Democrats is a good thing, or do I have my priorities misaligned?

Forget the song, we're in for a meltdown of the century if it happens. They might spontaneously combust and burn their own cities to the ground again.

Seriously though, these ppl already know what the outcome will be after Jan 20 for both sides. We know we don't riot and flip out. So, who all the warnings about and why would they riot?

O say can you see, by the dawn's early light, What so proudly we hailed at the twilight's last gleaming, Whose broad stripes and bright stars through the perilous fight, O'er the ramparts we watched, were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof through the night that our flag was still there; O say does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

You've got four years to troll. No city council meeting too small. Michael Jordan is the champion. Of trash talk. The best of all time. A mistake means opportunity. Young men. Troll to win.
